

## MARConvert(tm) Software License Agreement

-- FOR USE ONLY BY THE LICENSEE --

MARConvert is licensed only to the client for whom it was developed.

You may ...

install this copy as often as necessary within your organization.

You may not ...

install this copy on computers owned by other organizations.

Permitted uses: Your organization is licensed to use MARConvert ("The Software") on all the computers you own.

Prohibited uses: You are not permitted to install The Software on computers you use but do not own, such as a computer at a client's work site.

Ownership: The Software is owned by Systems Planning and is protected by United States copyright laws and international treaty provisions. You may not distribute, rent, sublicense, assign, or transfer this license or The Software. You may not alter, modify, or adapt The Software or documentation, including but not limited to decompiling, disassembling, or creating derivative works.

Limited warranty: Systems Planning warrants that The Software will perform substantially as described in the accompanying documentation; and is correctly recorded on the diskettes or download source. We make no representation or warranties of any kind that The Software is error free; that defects, if any, can be corrected; or that The Software is fit for any particular purpose. As a condition to this license agreement you accept all risks arising from the use of The Software, including loss of data. Systems Planning's entire liability and your exclusive remedy shall be repair or replacement of The Software. If this is beta software, you are agreeing to use the software as a pre-release product; this means accepting risks that may include instability, data loss, and incomplete and changing features.

Limitation of liability: The above is a limited warranty and the only warranty made to you and is in lieu of any other warranties, expressed or implied, including, but not limited to, implied warranties of merchantability or fitness for a particular purpose. In no event will Systems Planning be liable for incidental or consequential damages, even if it has been notified of the possibility of such damages. In addition, Systems Planning will not be responsible for any unauthorized use of this Software.

Indemnification: You agree to indemnify and hold harmless Systems Planning, its employees, owners, subcontractors, or agents from and against all loss, cost, damage, liability, or expense by reason of any liability imposed by law upon Systems Planning, its employees, owners, subcontractors, or agents resulting from unauthorized use of The Software.

General: This license agreement is the total agreement between us and supersedes any prior communications between us relating to The Software. This license agreement shall be governed by the laws of the State of Virginia. If any part of

this agreement is limited or invalidated by any statute or court that part is deemed omitted from this agreement but the rest of the agreement will remain in full force and effect.
